

# The Desertion of Daniel Haqiqatjou

A notification from Spiros Angelaki II

~

This letter is intended for the reading of Daniel Haqiqatjou, as he has made it extremely difficult for a letter or message such as this to be able to reach him properly and formally, as have others that he has aligned himself to work with, a large portion of which, has to do with his extreme “skepticism” and oft-repeated baseless assumption that others are out to harm or silence him, and his ‘companies’; As such, I will expound further upon what was my intended original shorter message, by the Grace of God, and hold it formally for myself, publicly instead of privately, and I ask God, Glory be to Him, The Most High, to give this man the Courage and Ability to Reason enough to approach and read this message; in full; May it be so.

**Daniel Haqiqatjou is not of my People.**

Daniel, my Brother in Humanity,

Peace be upon you, and the Mercy of Allah.

## **Quran 8:46**

I ask Allah, The Most High, to Forgive you for your transgressions against your Brothers and Sisters in The Islam, and to have Mercy on you for these errors you have propagated to your ‘online following’, *and anyone that pays you mind and listens to you*, regarding your ‘disputes’ with your fellow Brothers and Sisters, and for your baseless assumptions and accusations against some Great Brothers that Our Lord has Provided for you.

I ask Allah, The Most High, to Forgive me and have Mercy on me, for not knowing more of your wrongdoings against my Brothers and Sisters that He has Provided for me, so that I may write further in defense of them against you.

I ask Allah, Glory be to Him, The Most High, to Defend my Brothers and Sisters He has Provided for me, from people He Allows to call themselves Muslims, whom instead of Submitting to Their Lord, put forth great Efforts into manipulating innocent people into misguidance, and point at Righteous Brothers and Sisters with their Wicked crooked fingers, claiming witness of Acts of Wrongdoing, Falsely.

I hope that this message reaches you while you are in Good Health, and I hope you have the Willpower to read it in full, and act Righteously in response to it; May it be so.

I reach out to you, Daniel Haqiqatjou, because, all Praise is due to Allah, I remembered some information you propagated quoting the words of Evil men that are (or were) 'scholars' or 'teachers' within the Accursed Modern Day Nation of Israel, and I appreciate you standing up for your Brothers and Sisters in doing this, and trying to help people to understand The Truth, and to inform them that there is, Indeed, Great Danger we should ***all*** be well aware of, and need to take action towards, *immediately*, and because of that, I feel you may be deserving of attention in Regard to your Criminal Acts; Moreover, and of greater importance than that, you have Criminally Accused Righteous Muslim Brothers of Mine, Falsely, and I feel urged to stand in defense of them, as I thank Allah, Our Lord, for sending them for me, *and for all of us*, and for Blessing them with such Righteous Works for us, and I love them greatly.

I appreciate your Efforts in trying to spread awareness of The Truth.

I appreciate your Calls to Attention for Our Innocent Brothers and Sisters, including Children, who have been brutally bombed, shot down, and murdered, and many other Great Crimes I do not Will to Speak of here, Wrongfully, for many years.

I will appreciate any transmission of Knowledge, from Quran or The Sunnah of God's Messenger ﷺ, you may have been Allowed to put forth for others to Gain from, if you have ever done so in your Works.

I advise you to not speak ill of, or speak authoritatively against, any "sect" or any School of Thought in the Jurisprudence of The Islam.

I advise you to not speak ill of, or speak authoritatively against, any country that Claims to be Muslim.

I advise you to not speak of (or to) your Brothers or Sisters who Submit to God, unless it is Good Speech, without accusations, ill-will, or disputes, against them.

I advise you to *try to appreciate* the Magnanimous Mercy, Blessing, and Peace, that Our Lord Allah, Glory be to Him, The Most High, has so Graciously Bestowed upon us, called The Women, and I advise you to *try to* understand that Women truly belong to Him, and not Men; and that He gave them Rights (*that you may be unaware of*) and Free Will; and that He does everything for a Reason.

I advise you to *specifically* fully delete or burn any ‘information’ or video you may have been Allowed to put forth, on the internet or otherwise, where you mention the name of our Lovely, Blessed Brother, Mufti Menk; Whom I have gained nothing but Blessed Knowledge from, upon every observation I have been Allowed to have of him, from his speeches or otherwise; I thank Allah, The Most High, for sending him for me, *and for everyone*, and for Allowing him to expound The Truth upon us, so perfectly, beautifully, without Error, in total Righteousness; and always with True Humility, and Love.

I ask Our Lord, Allah, The Most High, to Bless our Brother Mufti Menk, and his Household, Grandly, and to Give him Great Peace, and to Curse anyone who chooses to utter his name with intentions similar to the ones you have displayed.

I advise you to *specifically* fully delete or burn any ‘information’ or video you may have been Allowed to put forth, on the internet or otherwise, where you mention the name of our Lovely, Blessed Brother, Imam Omar Suleiman, as you have Clearly wronged yourself Grandly, and you have wronged anyone that works with you, and you have wronged anyone that pays attention to you to the point of agreeing with you, Grandly, by mentioning his Blessed name, and by accusing him of anything other than Justly Striving to Help and Guard others, and spread The Truth to people who may not know it, and enticing your followers, or witnesses of your Acts, to make ‘*fun*’ of his Blessed Efforts by calling his Research Institute, Yaqeen, anything other than what it is, which *is* Certainty.

I thank Allah, Glory be to Him, The Most High, for our Lovely, Blessed Brother, for sending him for me, *and for everyone*, and for Allowing him to so Grandly expound The Truth upon us, so perfectly, beautifully, without Error, in Complete Righteousness; and always with Complete True Humility, and Love.

I ask Allah, My Lord, to Forgive me and have Mercy on me for even witnessing your Evil False Words against these Great Blessed Men, and for being anywhere near those Words.

I would also like to inform you, in Clear Truth, that I can clearly witness, without doubt, that our Brother Imam Omar Suleiman is far above you and your efforts in every capacity, as I have **only** learned Blessed Knowledge from observing his Works that he was so Graciously Blessed with, and that I have not witnessed him **ever** cause problems with any person, but rather, he has *shown* he is willing to be near to, and even work with, people who do not have the privilege of Submitting Fully to Our Lord, which you Falsely Claim to be some sort of Wrongdoing in your Absolute Ignorance and Retardation, I would also like to inform you, if you were not already Aware, that it is Our Lord, Allah, Glory be to Him, The Most High, who has Allowed you to commit these Transgressions against My Brothers and Sisters, and He does no Injustice when doing so.

It is also the Sunnah of Allah's Messenger, Peace and Blessings be upon him, to be near to the non-Muslims, and to work with them, and to **take care of them**, and to even protect them against others who may wish them harm.

It is against **BOTH** the Teachings of The Glorious Quran and The Perfect Prophetic Sunnah of Allah's Messenger ﷺ, to be attempting to cause these sorts of problems you have been attempting to cause within the Ummah, and throughout any audiences or observers you may have had, and upon those near to you.

I would, **without a doubt**, ask Allah, My Lord, to place me nearer to Brother Imam Suleiman on The Last Day, and *endlessly* farther away from you on that Day, because of these things I have listed above, and I hope that Allah gives you, *and those near to you*, and those that follow you, at least a Thread of understanding, and Reasoning, in this matter.

I would also like to make sure that you understand, that you Truly only wrong yourself in these Wicked Accursed endeavors that you have taken upon yourself and your people, and I recommend you take swift action in attempting to repent and correct yourself, while you may still have the Chance to.

And also, I love you, because I love you, and again, I do appreciate your efforts, my Brother in Humanity.

Please, try to be Good, in the Sight of Allah. It is Best for you, and those that follow you.
